Casual attire. We use computer-assigned squares (as individual dancers) so everyone can dance with everyone else.

Preparation: We recommend getting lots of floor time dancing A-2 APD. We also recommend getting Vic Ceder's Advanced and C-1 books (sold at www.ceder.net/books). Make sure that you know the definitions for all Advanced and Plus calls. To be successful in our class, plan to spend an hour or two each week in addition to the class reviewing the definitions of the calls.
